MYSORE SPECIAL DIVISION.

Notice dated 5th February 1930.

1. Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Special Division, Mysore, up to 1st March 1930, at 12 noon for constructing a General Ward in Princess Krishnajammanni Tuberculosis Sanatorium, Mysore. An abstract of approximate quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1930.

2. The plans, detailed estimate, and conditions may be seen at the Executive Engineer's Office at Mysore, between the hours of 11 A.M. and 5 P.M. on the working days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees five hundred only (Rs. 500) in cash as earnest money and be superscribed "Tender for constructing a General Ward in Princess Krishnajammanni Tuberculosis Sanatorium, Mysore" in default of which, tenders will be rejected.

5. The final acceptance of the tender will rest with the Superintending Engineer, Mysore Circle, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. No tender stating "percentage less than the lowest tender or as per estimated rates" will be accepted.

10. Once the tender has been accepted no claim for any concessions or higher rates will be entertained.

11. The work to be executed as per D. P. W. Specification.

12. The decision of the Chief Engineer in all matters, regarding measurements, rates etc., shall be final and legally binding.
